REQUIREMENTS FOR KEEPING MORE THAN ONE DOG IN AN URBAN AREA

Requirements for Obtaining a Permit

Approval to keep more than one dog within the community boundaries of Otorohanga, Kawhia and Aotea will be granted subject to compliance with the following conditions:

- Owner must have a good record of dog control ie no substantiated complaints or impounding over the last 2 years
- Dogs must be contained behind dog proof fencing and any persons entering the property must have unobstructed access to one doorway of the dwelling (at discretion of Animal Control Officer)
- If dogs are to be housed outdoors, the kennels and runs are to be situated on a paved area that is pervious and able to be easily cleaned
- Kennels must be no closer than 3 metres from any boundary and situated so as not to cause a nuisance to neighbouring properties
- Each Kennel is to be constructed so that they provide weatherproof, damp-free, warm and hygienic accommodation.
- The size of run per dog shall be proportional to the amount of exercise the dog receives each day. As a guide, the Code of Recommendations and Minimum Standards for the care of Animals in Boarding Establishments require

Small dogs (less than 7kg) eg Toy Breeds
Kennel - 500 x 500mm plus run - 600 x 1000mm

Medium dogs (7-20kg) eg Cocker Spaniels, Shetland Sheepdogs
Kennel 600 x 700mm plus run - 800 x 1000mm

Large dogs (20-40kg) eg Labradors, Dobermans
Kennel 800 x 800mm plus run - 1m x 800mm

Extra large dogs (>40kg) eg Great Danes, St Bernards
Kennel - 1.2m x 1.2m plus run -1.2m x 2.4m

- The Kennel and yard area shall be kept clean and hygienic at all times (daily)
- The dogs shall be provided with a constant supply of clean drinking water
- Should the building exceed 10m² on a horizontal plane, a building consent will be required from Otorohanga District Council before work proceeds
- If you intend to have more than 4 dogs, then all effluent from kennel/run area needs to be drained to an approved outfall
