## **Reasons**

1. This is an application by ASR Hospitality Limited for an on-licence in respect of premises situated at 57 Maniapoto Street, Ōtorohanga known as the Thirsty Weta Bar and Eatery. This venue has operated as a licensed restaurant in the past. ASR Hospitality Limited has been operating this business by way of a temporary authority which expires 20 April 2025. Planning certificate and building code of compliance having been received
2. The application was advertised and there have been no objections by members of the public. The Liquor Licensing Inspector, Police and the Medical Officer of Health have

provided reports and do not oppose the application. Accordingly, the matter is decided on the papers (202).

3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4). In deciding whether to issue a licence the District Licensing Committee must have regard to the criteria in s 105 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
  - a. Is the applicant suitable?
  - b. Are the days and hours during which the applicant proposes to sell alcohol reasonable?
  - c. Is the design and layout of the premises suitable?
  - d. Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food?
  - e. Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of licence? Is the amenity and good order of the locality already so badly affected by the effects of the existing licenses that it is unlikely to be reduced further by the effects of the issue of the licence or is it desirable not to issue any further licenses?
  - f. Does the applicant have appropriate systems, staff and training to comply with the law?
  - g. Have the Police, Inspector and Medical Officer of Health raised any relevant considerations?
  - h. Does the application comply with the Ōtorohanga District Local Alcohol Policy?

**Is the applicant suitable? Does the applicant have appropriate systems, staff and training to comply with the law? Does the application comply with the Local Alcohol Policy?**

6. The Licensing Inspector reports that the application does comply with the Ōtorohanga District Local Alcohol Policy.

**Are the days and hours during which the applicant proposes to sell alcohol reasonable?**

**Is the design and layout of the premises suitable?**

8. The licensing committee is satisfied that ASR Hospitality Limited has a suitable design and layout to meet the requirements of the Act. The premises consists of an open plan dining room area with a bar and a substantial outdoor dining area on the footpath on the left side of the premises. There are no bar leaners at the bar. The bar provides excellent views for

entrance and indoor dining area. There are some obstructions for viewing the outdoor dining area, but the duty manager can view this area through CCTV monitor and with the assistance of front of house staff who frequently check customers. The bar area is a supervised area and the remainder of the tavern is undesignated until 9.00pm when it changes to supervised.

**Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food?**

9. ASR Hospitality Limited does not engage in the sale of goods or service other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food.

**Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?**

10. The licensing committee is satisfied that the grant of an on-licence to ASR Hospitality Limited will not have a negative effect on the good order of the locality. There have been no reports of any nuisance, vandalism or noise problems associated with this premises.

#### **Conclusion**

11. The licensing committee is satisfied that the grant of the on-licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
