REASONS

1. This is an application by Peter Burgess for a special licence for a Pig Hunting Competition to be held at Hauturu Hall, 613 Harbour Road, Oparau on 13th July 2024. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
 - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks

and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?

- h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
- i) Does the application comply with the Ōtorohanga District Local Alcohol Policy?

Should the special licence be granted?

5. The general nature of the event is a Pig Hunting Competition to raise funds for Harutu School. The competition runs over three days, from June 11 to June 13, 2024. The special licence is applied for the last day, Saturday, July 13, 2024, which is designated for the weigh-in. Food and alcohol will be available from 2pm to 12midnight. The main meal will be approximately between 5.30 pm and 6.30 pm followed by prize giving. Most of the children will leave with their families after the prize giving. There will be auctioning of hunting wear donated by a local vet but no alcohol or other prohibited items are to be included. Up to 100 people are expected to attend the locally promoted event. The licensing committee is satisfied that the proposed trading hours are reasonable.
6. The Licensing Inspector reports that the application does comply with the Ōtorohanga District Local Alcohol Policy.
7. The licensing committee is satisfied that Peter Burgess is a suitable applicant to hold a special licence. Peter Burgess is entitled to hold an on-site special licence because he has attained the age of 20 years of age (s 28(a)) and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012 in the past.
8. Peter Burgess does not propose to have a certificated duty manager at this event. However, the licensing committee is satisfied that an exemption may be granted from the requirement to appoint a duty manager (s 213). This is a small low risk event and Peter Burgess is capable of managing it without a certificated duty manager. The licensing committee expects Peter Burgess will brief all volunteer bar staff on their responsibilities under the Act and the conditions of this licence prior to the event to ensure they are aware of their responsibilities and obligations. Finally, Tim and Faye Gilbert will take responsibility for the management of the event and ensure that it complies with the Act.
9. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised.
10. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The licensed area included the interior of the Haratutu hall and the fenced carpark area which will be used to weigh in animals. The entire premises is to be an undesignated area.
11. The licensing committee is satisfied that the applicant will provide sufficient food, low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. The use alternative transport will be promoted as a safe option for transport home from the event.

Conclusion

12. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
13. Therefore, the application for a special licence is granted.
