DECISION REPORTS | NGĀ PŪRONGO WHAKATAU

Item 42: Consideration of the Ōtorohanga Support House request for increased funding and the long term lease of 88 Maniapoto Street

Council’s Group Manager Strategy & Community N Gower took the report as read noting the matter was considered by the Ōtorohanga Community Board at their meeting the previous day. She advised the Board had made a recommendation to Council as contained in the staff recommendation in the report.

In response to a comment from His Worship on the granting of a three year lease with a two year extension at the landlord’s discretion, several elected members also spoke in support of including the extension option. Council’s Manager Property, T Ambury noted the lease policy adopted by Council would use a standardized lease template which includes a termination clause.

RESOLVED C55: That the Ōtorohanga District Council:

- a. Agrees to a 3-year lease with the Ōtorohanga Support House for the exclusive use of 88 and 120 Maniapoto Street from 1 July 2023 to 30 June 2026 with a two-year extension to be given at the landlord’s discretion.
- b. Agrees to fund the additional costs (\$17,000/year) associated with the lease of 88 Maniapoto Street for a period of 3 years making their total grant from Council \$36,000.
- c. Notes that this extra funding has been included in the 2023/24 Annual Plan with further funding to be considered in the Long Term Plan 2024-34.

Councillor Dow | Councillor Christison

Item 43: Local Easter Sunday Shop Trading Policy 2017 review

Council’s Group Manager Regulatory & Growth, A Loe took the report as read noting both the Ōtorohanga Community Board and the Kāwhia Community Board had made a recommendation to Council to conduct a review with a view to continuing the existing Policy without change.

- a. Review the Local Easter Sunday Shop Trading Policy with a view to continuing the existing Policy without change.
- b. Approve the Statement of Proposal for public consultation in accordance with the special consultative process of the Local Government Act.

His Worship the Mayor | Councillor Hughes

Item 44: Ōtorohanga Rural Concept Plan: Community Advisory Group confirmation of membership and adjustment to geographic scope

Council’s Chief Advisor, R McNeil noted the names in the resolution needed amending following discussions.

He advised the additional names were Bev Bayley and Alison or David Sellars. Councillor Prendergast requested Craig Vanner also be added to the Group.

Mr McNeil also noted the geographic scope had been discussed by the Kāwhia Community Board and the following areas had been included: Ōpārau District and Kāwhia and Aotea harbours. He noted the remaining areas of the district, not covered by the Ōtorohanga Town Concept Plan would be in the Rural Concept Plan.

Mr McNeil advised the first community drop-in session for the Kāwhia and Aotea concept plan would be held on Saturday, 3 June in Kāwhia. This was over the King’s birthday weekend and was in response to comments made by the previous Board on the need to hold sessions when bach owners were in town.

RESOLVED C57: That the Ōtorohanga District Council:

- a. Confirm the following as members of the Community Advisory Group for the Ōtorohanga Rural Concept Plan: Lizzie Te Brake, Robbie Sherriff, Keri Taylor, Andrew Jolly, Kevin Hickey, Liz Cowan, Rosemary Davison, Lorraine Fox, Ian Clark, Nick Riley, Bev Bayley, Craig Vanner and Alison or David Sellars.
- b. Note that other members of the rural community will be co-opted onto the Rural Advisory Group.

Item 45: Consultation draft interim speed management plan for the Ōtorohanga District

Council’s Acting Manager Roading, R Shailer took the report as read and in response to a query from His Worship, advised that the ‘roads of concern’ had been raised by members of the community either directly in discussion or through service requests or Facebook posts. His Worship queried the rationale for the proposed speed limits for Ouruwhero Road. Council’s Chief Executive T Winter noted the technical report provided as the report’s appendix was prepared by roading experts however Council ultimately could decide to consult on alternative options.

Ms Winter requested a short recess. His Worship adjourned the meeting at 10.52am and the meeting recommenced at 11.03am.

His Worship commented on the confusion that might be caused by differing speed limits. He proposed that the consultation provide an option for Ouruwhero Road to be 50km for 1.25kms from Kakamutu Road then 100km.

Councillor Prendergast noted school and marae speed limits were required by Government to be reviewed whilst the roads of concern were optional. Both Councillors Prendergast and Johnson queried the planned engagement with the community and Councillor Hughes queried consultation with the NZ Police. Council’s Road Safety Coordinator R Stubbs advised consultation had been undertaken with NZ Police by Waka Kotahi in the development of the ‘Road to Zero’ strategy and national speed management plans. She noted the technical reports and proposed options were in alignment with the strategy and plans.

Members raised concerns over the need to have consistency across both urban and rural schools.

RESOLVED C58: That Ōtorohanga District Council approve the Draft Interim Speed Management Plan for public consultation from 1 June to 30 June 2023 with the following amendments:

- a. Inclusion of an option for Ouruwhero Road with a 50km proposed speed limit ending 1.25kms north of Kakamutu Road.
- b. All urban schools to be consistent with 30km speed limit.
- c. All rural schools to be consistent with 40km/100km variable speed limit.

Council’s Group Manager Engineering & Assets, M Lewis spoke on the issues being experienced in the capital projects programme.
