My name is Jo Butcher (nee Cumpstone), I'm a proud Ōtorohanga local having lived here all my life and am now standing for the town's

Community Board.

I am passionate about ensuring our community thrives both now, and in the years to come. My involvement in various community groups over the years (netball centre, Plunket, tennis club, swimming club, Play Centre Committee, etc) means I have a real understanding of the community, its people and its needs. As a small business owner (my husband and I own and run the local paint and panel shop, Ōtorohanga Collision Repairs) I also understand the importance of local business and industry for our town's future and prosperity. Ōtorohanga is an incredible town, where I have lived and raised my children, I now want to be involved in the decisions and work that will shape its future.
