I am a Trustee on various Māori land blocks and marae within the Ōtorohanga District, I am involved with the restoration project and riparian planting along the Waipā River, I have also been involved and had input with the walking/cycling track surrounding the Ōtorohanga township, I have lived and worked in Ōtorohanga most of my life, I am putting myself forward as a nominee in the Māori Ward for Ōtorohanga to ensure mana whenua, whanau, hapū and marae have a voice in the decision making and are well informed on what is happening within our district.
