

Ōtorohanga District Council
Waipā Ward
Electing 1 Councillor

Neville GADD

Getting It Done

My principal place of residence is not in the Waipā Ward area. I am also standing for Ōtorohanga Community Board.

Politically correct? Nope, not me.

Willing to say what needs to be said? Without a doubt.

Loud and proud to stand up for the little guys also known as ratepayers? Absolutely, that's me. Neville Gadd.

A local business owner who has no issue putting in the hard work.

After six years on the community board, three years as chair, I am proud to be a part of your elected team that has achieved some impressive community projects and investments, and did them rates neutral.

Add in the Long Term Plan and Ōtorohanga Town Concept plan, utilising the massive feedback from you, our ratepayers, we have created a blueprint to take Ōtorohanga forward. Now its time to implement and drive our community into the future. Traditional council politician? Nah, not even close. The guy who will represent you? Yeah, and you know it.
