I'm standing for the first time as the Kaawhia-Tihiroa ward councillor in this years local election. I'm born & bred from Kaawhia and the reason why I'm standing is that I want to be able to make a difference for our community and be the voice that our community needs to enable us all to progress and move forward together as one. In order to make that difference in the lives of our whaanau and community, I know that I need to be at the decision-making table to be able to lead effective and transformational change.

Your vote will help me to help you, and I will work to ensure your vote matters. Teamwork helps us to achieve those goals:
Team = Together We Achieve More.
